PRACTICAL INFORMATION TO REGISTER

Registration fees: €10

Raising: €200 (€100 for minors/students)

Your registration is final once the minimum amount of raising has been reached.

Whether you participate at the race individually or in a team - personal or business, you must first register individually and create your personal raising page - see steps below :

1. Register

You must first register by clicking on the "Register" button below then pay a registration fee of €10.

2. Create a personal raising page

You must then create your individual raising page on Alvarum. You can personalize it by adding a photo and explaining why you are participating in the race.

3. Create or join a personal group

After creating your individual raising page, you can create or join a team.

Any team reaching 50 participants whose registration is confirmed will be able to benefit from a tent on the village, allowing a convivial place where to meet, to withdraw bibs and T-shirts.

4. Create or join a corporate group

Contact your company for registration and raising details.

You can also contact the association by writing to contact@imagineformargo.org

Any team reaching 50 participants whose registration is confirmed will be able to benefit from a tent on the village, thus allowing a convivial place where to meet, to withdraw bibs and T-shirts.

5. Fundraising

Every participant must raise €200 (€100 for minors/students) to validate his registration.
